

GBSYO Audition Information

- Auditions are held at Green Bay East High School. Enter the main entrance and follow the signs to the audition area. There is a check-in desk and an audition volunteer to help you get settled and answer any questions.
- Don't forget to bring 3 copies of your solo for the judges
- The auditions are closed (meaning no parents or teachers in the room)
- Contact Audrey Nowak at anowak@greenbaysymphony.org if you have questions

GBSYO Audition Tips

- Arrive at least twenty minutes prior to your audition. You will need time to find your room, unpack, tune, and warm-up.
- Don't underestimate the importance of scale preparation
- It is better to perform a piece a bit below your level and do it very well than to try to 'stretch' yourself into a piece that is beyond your skill set.
- Trust the judges! They are experienced music educators who want you to have the most wonderful musical experience possible. Placement is a complicated process and always made with your own best interest at heart!
